

# Partners in Music

Gifts to the Waco Symphony Association are important to sustain our mission to present live classical music that will enrich the cultural life of our community. Since ticket income covers only a small percentage of concert expenses, donations and sponsorships help make up the difference. The Waco Symphony expresses its appreciation to our Partners in Music, who, by their contributions, are instrumental to the success and continued growth of the symphony. **If you or your business would like to support the WSO, please contact Executive Director Carolyn Bess at ED@wacosymphony.com.** This list is current as of October 16, 2024. Future donors will be recognized online because concert programs are printed in bulk in November.
